

IGRAPHI

GRAPHIC DESIGN & VISUAL COMMUNICATIONS

IGRAPHI LLC

Washington, DC · Small Business
Registered & active in SAM.gov

Complexity into *clarity*.

I turn dense, technical, or messy material — reports, data, and ideas — into clear, credible work that's ready to present. One senior designer from first brief to final file, at home with high-stakes material and tight deadlines.

CORE COMPETENCIES

Reports & editorial design

Annual reports, research, and long documents made clear and ready to present.

Presentations & decks

Dense material turned into slides that read fast and land.

Publication layout

Multi-page documents set with care, print- and screen-ready.

Brand & identity systems

Logos, color, type, and guidelines that hold together everywhere.

Data visualization

Charts, maps, and figures that make the point at a glance.

Digital & web graphics

Newsletters, landing pages, and social-ready visuals.

WHY IGRAPHI

- **Over 15 years with demanding institutions.** Design for the World Bank Group and others — comfortable with technical, high-stakes source material.
- **One senior designer, start to finish.** The person you brief is the person who does the work — no handoffs, no juniors.
- **Fast, reliable on complex material.** Quick turnaround without losing accuracy or polish.
- **Registered and ready to contract.** Active in SAM.gov as a Small, Small Disadvantaged, and Minority-Owned business.

REPRESENTATIVE EXPERIENCE

World Bank Group teams. Report design, design systems, newsletters, and digital communications for units including the Global Facility for Disaster Reduction and Recovery (GFDRR), Understanding Risk, and governance and risk-data programs — translating research and data into client-ready work.
